

## Developmental Disability Waivers Psychological Evaluation Review Checklist

**Applicant/Participant Name:** Click here to enter text.

**Date Reviewed by Psychologist:** Click here to enter a date.

Psychologist: Sandra Jensen Ph.D. Wyoming Psychologist License # 530

□ Initial Review □ Re-Evaluation

Criteria Met		Criteria					
Yes	No						
		Psychological Evaluation completed by Licensed Psychologist					
		(does not include School Psychologists)					
		Is evaluation valid? If no, explain: Click here to enter text.					
		Has diagnostic criteria for an Intellectual Disability been met? [As defined in Chapter 41 or 42, this is based on American Association on Mental Deficiency, Classification in Mental Retardation (Herbert J. Grossman ed., 8th ed. 1983)]. All three criteria cited below must be met to meet diagnostic criteria.  □ IQ of 70 or below on standardized measure of intelligence? □ Significant limitations/Deficits in Adaptive Behavior (standard score of 70 or below)? □ Manifested during developmental period?					
		If an intellectual disability is alleged and diagnostic criteria have not been met, explain: Click here to enter text.					
		Has diagnostic criteria for a Related Condition been met? [As defined in Chapter 41 or 42, this is a condition that results in a severe, chronic disability affecting an individual which manifests before he or she reaches age twenty-two and that is attributable to cerebral palsy, seizure disorder, or any condition other than mental illness that is closely related to mental retardation and that requires similar services, as determined by a licensed psychologist or physician.
